## TO ALL IAMAW MEMBERS AIR CANADA – NATIONAL GRIEVANCES

Dear Brothers and Sisters,

Your General Chairpersons representing Members at Air Canada are addressing the National Grievances. Last month, DL140 was successful in securing additional arbitration dates for 2020 and 2021. Two (2) dates have been added this month, December 10<sup>th</sup> and December 21<sup>st</sup>.

The District has endeavored to prioritize the order of grievances to bring needed and overdue justice to the Membership while ensuring our best chances for success. Some of the National issues will be heard this year and some will be heard in early 2021.

On December 10<sup>th</sup>, your General Chairpersons arrived well prepared to argue the merits of the cases. Air Canada did not. After lengthy mediation discussions Arbitrator Christine Schmidt has directed the employer and their counsel to have any submissions completed by December 16<sup>th</sup> to ensure maximum productivity on December 21<sup>st</sup>.

Air Canada remains determined to use every trick in their playbook to delay the hearing of these important grievances and ultimately delay justice, but we are making progress. They can run but they can't hide.

As always and more than ever thank you for your continued patience and support.

In solidarity,
