

BULLETIN 002

Vice President Appointment

January 15, 2021

As was communicated in Bulletin #034, dated December 3, 2021, the position of Vice President became vacant, with Brother Russ Dillon assuming the role of President, in accordance with Article C, Section 2 of the IAM Constitution.

The deadline to submit written nominations to fill the position has passed with none received by the Executive. Article 2, Section 5 of the LL1681 Bylaws state *'that all other vacancies of office, other than the President, shall be filled via appointment by the President, with the approval of the Executive Board.'*

In the previous election held on December 3, 2019, Brother Russ Glesby was on the ballot for the Vice President position. President Dillon reached out to Brother Glesby, and he affirmed that he remains interested and committed to serve as the Vice President; thus, he has been appointed to fill the role for the remainder of the prescribed term (December 31, 2022).

Please join the Executive in wishing Brother Glesby the best success in his new role. We are confident he will serve and represent the membership with tireless dedication and enthusiasm and will be a huge asset on the Board.
