### **AIR CANADA - HOUSE OF COMMONS PETITIONS**

### **\*\*IMPORTANT\*\***

Dear Brothers and sisters,

Electronic petition to the House of Commons - For OUR jobs, the maintenance of OUR aircraft in Canada!

Take a few minutes to make a real difference.

Montreal District 140, with the help of YUL Local 1751, organized these e-petitions supported by 3 MPs from opposition parties. There are 3 parts, so three electronic signatures to do.

The purpose of these 3 petitions is to work with the 3 opposition parties to convince the government that our employer must repatriate the maintenance work of OUR planes currently being done outside the country and, or by sub-contractors to get the work done by Air Canada workers in Canada.

We strongly encourage you to sign them yourself and your family, friends, etc. Signatories must be citizens or residents of Canada (no minimum age). Do not hesitate to pass it on to our colleagues from one end of the country to the other, the more signatures there are, the greater our impact will be!!!
