

BULLETIN 018

Update RE: LL1681 Audit

August 13, 2021

Due to the COVID-19 pandemic and the associated public health restrictions to reduce the spread of the virus, including a prohibition on social gatherings, which was enacted mid March 2020 up to the end of June 2021, the auditing committee has been unable to meet in-person to conduct the semi-annual audit of LL1681's finances.

Typically, audits are conducted twice a year--at the end of June and December. With most public health restrictions now lifted, the auditing committee intends to meet in-person in the coming weeks to perform the audit.

If there are any questions or concerns, please send an email to: executive@iamaw1681.ca. The Executive Board appreciates everyone's patience and understanding concerning this matter.

In Solidarity,

Eljay Camponi
Recording Secretary
IAMAW LL1681
