

BULLETIN 020

Air Canada TMOS Negots Committee Representatives Election

September 13, 2021

As was previously conveyed in Bulletin No. 17, the Air Canada TMOS Negots Committee Representatives election will be held on the date of the November general meeting (November 2nd, 2021), if needed. Polling stations will be located in YYC at the RCL Chapelhow Branch 284 (606 38 Ave. NE, Calgary, AB) and in YEG at the Nisku Inn (1101 4th St. Nisku, AB). Polling hours will be announced in the near future.

As society continues to cope with the fourth wave of the pandemic, providing a safe environment to conduct in-person voting is of utmost importance, ensuring the health and safety of all members. All local and provincial public health restrictions will be followed, including people wearing masks and remaining six (6) feet apart at all times, including during sign-in, casting of ballots, and while observing the tally. Hand sanitizer will be available, and all pens used to cast a ballot will be wiped down with a disinfectant wipe after each use.

If members have concerns about in-person voting, despite adhering to all relevant health restrictions, along with all of the other measures taken, they have the right to request an absentee ballot, by marking the box indicating they are unable to vote due to illness or injury. To make this request, members must fill out and deliver the attached form no later than October 5th, 2021, to the recording secretary, either in-person or via email: ecamponi@iamaw1681.ca.

We want to reiterate once again, that all members in good standing that remain on layoff status are eligible to vote, so we encourage everyone to cast a ballot.

In Solidarity,

Eljay Camponi
