Subject: 2022 Sector Specific Political Action Symposium

After a yearlong hiatus, we're excited to announce that the Political Action Symposium has been scheduled for **April 04-08, 2022**. In an effort to make our advocacy more effective, we're trying something different this year, and hope you'll join us in forging a new strategy to advocate for our member's rights. This PAC session will help activists develop a political plan specific to their sector and workplaces. Advocacy is best when it comes from experience and from the heart; we know our members are passionate about their jobs, and knowledgeable about issues facing industries they work in.

We're counting on locals to encourage members to fill out a survey specific to the sector they work in,

See (page 4 below) for the links to the sector specific surveys

Sectors of interest:

Aerospace
Healthcare

Air-transportation (including Service Side - Airport Side – Screeners)
Hospitality

Automotive
Manufacturing

I would encourage local lodges to send one or two members from each sector the Local Lodge represents, members who have been, or intend to be very active, and will continue with moving the political agenda forward in their sectors. The Grand Lodge will pick-up the costs of the flights, accommodation and meals. The Local Lodge will pick up any additional costs.

Please note that travel days will be **Saturday, April 02, 2022 and Friday, April 08, 2022.**

This lobby is more important than ever; it's an opportunity to renew our commitment to political action, forge new ways to make member's voices matter, and a chance to **build our movement together.** Please join us as we take on major challenges facing our members and communities across the country-through 2022 and beyond.

Enclosed you will find the enrollment/registration forms for the Symposium. The Local and the Rep must approve the attendance.

I urge you to take prompt action in notifying Derek Ferguson, Grand Lodge Rep. at (dferguson@iamaw.org) from my office, by returning the enclosed registration and enrollment forms by **February 25, 2022**

In Solidarity,

Dave Chartrand
General Vice-President Canada

LINKS TO SECTOR SPECIFIC SURVEYS

To: All Members

We want to hear from you!

Given the diversity of our membership and that our members work in many sectors and industries, the IAM is launching an initiative to better understand issues our members face in their workplaces. We've developed brief surveys specific to sectors where our members work, and are inviting members to take this opportunity and share their perspectives with us.

Information from the survey will help us understand your viewpoints on key issues, and help us prepare strategies to represent and fight for our members.

Please join in the efforts in fighting for a better future for you and your co-workers by completing the survey for the sector you work in.

Please select the survey specific to the sector you work in.
