Dear Brothers and Sisters:

Pension seminars are scheduled for all interested IAM&AW Members employed by Air Canada. The seminars will deal with both the Air Canada Defined Benefit (DB) and Multi-Employer (MEPP) pension plans for both original Air Canada and ex-CAIL members.

During the seminars, we will explain the rules of the pension plans, the available pension options for retirement and termination, as well as Air Canada's post-retirement extended health and insurance benefits.

The Canada Pension Plan (CPP) and Old Age Security (OAS) retirement benefits will also be explained. Individuals will be granted the opportunity to ask questions, and we will endeavour to provide answers for everyone. The seminars will run approximately three (3) hours, depending on the number of questions. Dates and times for the two (2) locations are as follows:

*The YYC seminar will be located at:* **RCL Chapelhow Branch 284 (606 38 Ave NE, Calgary, AB) on Wednesday December 7<sup>th</sup>, 2022 from 1200-1500 (MEPP) & 1600-1900 (DB)**

*The YEG seminar will be held at:* **Nisku Inn (1101 4 St, Nisku, AB) on Thursday December 8<sup>th</sup>, 2022 from 1000-1300 (MEPP) & 1400-1700 (DB)**

All members and spouses are welcome to attend, but so that we can prepare the necessary number of handouts and ample enough coffee, we ask that members register as soon as possible.

Please provide your name, phone number, and/or email contact and indicate which seminar you plan to attend. Also, please be advised that attendance will be on an individual's own time and will not be provided at Company expense.

Additional pension seminar dates will be scheduled sometime in Spring 2023, for members that are unable to attend these seminars.

Please register by email to either pension representative: [coltean@iamaw1681.ca](mailto:coltean@iamaw1681.ca) or [president@iam764.ca](mailto:president@iam764.ca)

Respectfully submitted by: Christopher Hiscock (Chairman, Air Canada IAM&AW Pension Committee)
